REPORT OF SELECTMEN

The year 1964 was another one of increasing activity for the Selectmen.

The adjustment of property assessed values to conform to changing conditions in the Town took considerable time during the first half of the year. The detailed result of this review is printed elsewhere in this report.

The Town Road Aid project this year was the rebuilding and gravelling of the road from Pleasant Pond to Deering. The other major road project was the rebuilding and graveling of the Bailey Hill Road from the end of the black top to the Russell Station Road. This is now a school bus route. It has become apparent that insufficient money and work has been spent in maintaining and sealing the black top roads and we urge the adoption of a plan to prevent further deterioration of these roads and to regularly maintain and seal them.

In administering the Zoning Ordinance several problems were noted and we have made recommendations to the Planning Board for changes in the ordinance.

The Second Hand and Junkyard License Ordinance passed by the 1964 Town Meeting has been activated to the degree practical and we plan continued action to get 100% compliance.

The law prohibits drawing a woman for jury duty unless she has volunteered as a prospective juror. Any woman who wishes to serve as a juror should so state in writing to the Selectmen.

A long range project that needs to be accomplished is the preparation of a map showing property ownership. A sketch of your property sent in with your inventory and showing boundaries, dimensions, roads, buildings, and abutting property owners would be helpful.

We urge the inhabitants and property owners of the Town to bring to our attention complaints, problems, and recommendations pertaining to administration of Town affairs.

Respectfully submitted,

Curtis A. Prest,
Charles N. Eggert,
R. Franklin Mace,

Selectmen of Francetown, New Hampshire

Please bring your copy of this Report to Town Meeting.

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Francestown in the County of Hillsborough in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Francestown on Tuesday, the ninth day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see if the Town will vote to authorize the Selectmen to borrow a sufficient sum of money to pay current expenses in anticipation of taxes, or take any action thereto.

4. To see if the Town will adopt one or more of the amendments to the Zoning Ordinance as proposed by the Planning Board.

5. To see if the Town will vote to accept the Town Common boundaries as surveyed in July 1963, or take any action thereto.

6. To see if the Town will vote to place in the Capital Reserve Fund (Town Buildings) the balance of \$12.00 left after Library repairs.

7. To see if the Town will establish a Town Conservation Commission as set forth in RSA 36-A.

8. To see if the Town will vote to raise and appropriate the sum of \$168.36 (six cents per \$1000 of the Town's equalized valuation) to the Monadnock Region Association, an agency to advertise, promote, and preserve the natural advantages and resources of the Town in cooperation with the other 37 towns of the Monadnock Region.

9. To see if the Town will vote to instruct the Selectmen to turn over to the Fire Wards any balance remaining from the insurance payment for ladders, or take any action thereto.

10. To see if the Town will vote to raise and appropriate the sum of two hundred dollars (\$200.00) said sum to be placed in a Capital Reserve Fund for future replacement of Fire Dept. radios, or take any other action relating thereto.

11. To see if the Town will vote to raise and appropriate the sum of three hundred dollars (\$300.00) to be placed in the Capital Reserve Fund for Replacement of Fire Trucks, or take any other action relating thereto.

12. To see if the Town will vote to adopt the regulations under Chapter 251, Laws 1947 as amended covering the installation of power burners and oil burning equipment, or take any other action relating thereto.

13. To see if the Town will vote to authorize the Trustees of Trust Funds to withdraw all the remaining balance of interest in the Capital Reserve Fund for replacement of Fire Station and turn the money over to the Fire Wards or in any way act thereon.

14. To see if the Town will vote to authorize the Selectmen to hire the State Tax Commission reappraisal of the property in the Town (at one hundred percent of true value as required by state law) and raise and appropriate the sum of Two Thousand Dollars (\$2000.00) to be placed in the Capital Reserve Funds for that purpose, or take any action thereto.

15. To see if the Town will vote to accept the proposal of Henry C. Humphreys concerning the leasing of an area for a Town Beach as set forth in a proposed lease transmitted in 1964 to the committee appointed by the Francetown Improvement Society, or take any other action thereto.

16. If Article 15 is passed, to see if the Town will vote to raise and appropriate the sum of \$200.00 for a fence and improvements and authorize the expenditure of this money under the supervision of the committee mentioned in Article 15, or take any other action thereto.

17. If Article 15 is not passed, to see if the Town will vote to rescind the vote taken under Article 8 at Town Meeting, March 13, 1962, or take any other action thereto.

18. To see if the Town will adopt the policy of sealing five miles of black top road annually and raise and appropriate the sum of seven hundred fifty dollars (\$750.00) to be used with the summer road appropriation for this purpose, or take any action thereto.

19. To see if the Town will take any action on the report of the Advisory Board concerning Town Hall repairs and vote to appropriate (\$1400.00) One thousand four hundred dollars from the Capital Reserve Fund for Town Hall and to raise and appropriate (\$1600.00) One thousand six hundred dollars for this purpose, or take any other action thereto.

20. To see if the Town will vote to authorize the Cemetery Commission to establish lot prices, perpetual care fees, rules and regulations pertaining to the new cemetery, or take any other action relating thereto.

21. To hear the reports of Agents, Auditors, and Committees heretofore chosen and take action on the same.

22. To transact any other business that may legally come before said meeting.

The polls will open at 10:00 A.M. and close not before 6:00 P.M.

Given under our hands and seal, this Eighth day of February, in the year of our Lord nineteen hundred and sixty-five. Curtis A. Prest, Charles N. Eggert, R. Franklin Mace, Selectmen of Francestown.

A true copy of Warrant—Attest: Curtis A. Prest, Charles N. Eggert, R. Franklin Mace, Selectmen of Francestown.

SUMMARY OF FINDINGS AND RECOMMENDATIONS

January 14, 1965

Board of Selectmen

Francestown, New Hampshire

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Town of Francestown for the fiscal year ended December 31, 1964, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Library Treasurer, Cemetery Commission, Fire Department and Trustees of Trust Funds.

FINANCIAL STATEMENTS

Analysis of Change in Financial Condition:

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

Decrease in Net Debt

Long Term Notes Paid	\$5,000 00	
Net Budget Surplus	177 30	
Error — 1963 Check No. 3140	1 00	
Excess Credit — Tax Coll. a/c Polls	4 00	
Excess Credit — Tax Coll. a/c Redemption	03	
Cash on Hand — Town Clerk	2 10	
	—————	\$5,184 43

Increase in Net Debt

Refund — a/c Cemeteries 1963	\$ 48 75	
New Trust Funds of Prior Years	50 00	
Cash Surplus Used to Reduce Tax Rate	365 27	
	—————	464 02
		—————
Net Decrease		\$4,720 41

Comparative Statements of Appropriations and Expenditures — Estimated and Actual Revenues:

Actual Revenues: (Exhibits A-3 & A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1964, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4) a net unexpended balance of appropriations of \$236.21 less a revenue deficit of \$58.91, resulted in a new budget surplus of \$177.30.

Summary Statement of Receipts and Expenditures:

(Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1964, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1964, is indicated in Exhibit B-2.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

GENERAL COMMENTS

Current Surplus:

The current surplus (excess of total assets over current liabilities) decreased by \$279.59, from \$7,896.77 to \$7,617.18 during the fiscal year ended December 31, 1964, as shown herewith:

	Dec. 31, 1963	Dec. 31, 1964
<i>Total Assets</i>	\$34,256 81	\$45,708 64
<i>Current Liabilities</i>	26,360 04	38,091 46
	—————	—————
<i>Current Surplus</i>	\$ 7,896 77	\$ 7,617 18

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that the summary of findings and recommendations (letter of transmittal) of this report shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Francestown for their assistance during the course of the audit.

Yours very truly,
Harold G. Fowler,
Director
Division of Municipal Accounting
State Tax Commission

Lionel J. DeGrace, Auditor

REPORT OF LIBRARY TRUSTEES

GEORGE HOLMES BIXBY MEMORIAL LIBRARY

Not only does the Library have its regular hours, but it welcomes many people on other occasions. It has been open on several Monday evenings in January and February to discussion groups on Town affairs. On Thursdays, it has been available to those who like to knit or sew or do other creative work. The 4H Faithful Workers held their meetings here, and the Girl Scouts also used the rooms. And, of course, books were often taken out at these times!

At Town Meeting, in appreciation of Mr. Henry B. Hill's many years of service, it was voted that he be made an Honorary Trustee.

In early Spring, the big project of actually re-doing the Children's room was begun. Many friends of the Library helped remove books, a tremendous undertaking, so that new bookshelves could be installed and the room redecorated. One of the new features was the installation — by a generous friend — of glass shelves in the window case where the children's nature exhibits can be shown to good advantage.

In this spacious room, several events took place during the highly successful celebration of National Library Week. Beginning with an Open House, all were invited to see the finished project. Here, a large audience of all ages then gathered for a delightful concert of Early English Keyboard Music given by Mr. Roger Hall on his Harpsichord. Everyone appreciated his performance and the generous donation of his musical talents.

The Women's Guild was invited to participate in the celebration and again graciously presented an interesting program of Book Reviews. Mrs. Starrett talked about "My Darling Clementine" and Miss Emily Lord about "I, Katurah." These stimulating talks were greatly appreciated by all.

The Bookmobile made a special visit so that the young people especially might go aboard and find out how it operates; there is something very appealing about this small but well — stocked library on wheels.

A special story hour was held with all the pre-schoolers being invited. Mrs. Bicknell and Mrs. Alvord planned this program which was greatly enjoyed.

During this week, there were many special exhibitions. Mrs. Lord arranged a fascinating and informative exhibit relating to the 400th Anniversary of Shakespeare using books, pictures, sculpture and herbs!

A very colorful display was put on by the School children of all kinds of arts and crafts including gay paintings and decorations fashioned from cut and folded paper.

Several dust jackets for books of poetry designed by the artist, Jeanne Caskie, were on display. A set of illustrations in sequence showed how such a design is printed.

The young people who had attended conservation camp, and who were planning a Community Tree Planting project with Mrs. MacAdam and Mrs. Marsden, set up a fine display of materials bringing attention to this plan.

Using the working model of a ski lift constructed by Bruce MacAdam, Mrs. Anderson did a display on Francetown's new industry — skiing. This was fascinating to all (so fascinating that it was displayed out of reach!)

Thanks to Dr. Wiederhold and Nancy, the Library has fine color photographs of the concert and these exhibitions.

In conjunction with the School and the PTA, a Book Fair was held to encourage reading through ownership of books. Small groups of children took turns coming to look over the books and place their orders. The colorful paperbacks proved to be most appealing and the fair was a great success.

On October 10th, with the help of many good cooks and other hard workers, a Smorgasbord was served in the Town Hall to raise money. The proceeds will be used for new book shelves in the other Library rooms.

The Library Trustees would like to give special thanks to Mrs. Kiblin and to Mrs. Marsden for their help in many different ways; to Mr. Robert Duncan and to Mr. George Kunhardt for their generous encouragement; to Mr. Arthur Lord for donating his time and craftsmanship; and to the Village Improvement Society for the "Doll" money and for funds to be used for the Gun Room and Hall.

And here it should be said that while there is no organization of "Friends of the Library" as such, there surely is no lack of friends, and to all of you who continue to give so much help

and encouragement and to Mrs. Anderson who can always find the right book, the Trustees give a heart-felt, "Thank you."

Our music lovers are also enjoying records which can be borrowed for home pleasure. Especially enjoyed by the young fry were "Mary Poppins" and "Dr. Seuss's" records.

As usual, the children help on Wednesdays in checking out the books. The paid assistants were: C. Anderson, Janet Jones and Sylvia Leavitt.

The Trustees plan to remodel the Children's room was successfully completed after days and hours of moving and discarding many books.

The Library now has a beautiful Children's room, so bright and spacious looking and the children are so at home there.

FIRE DEPARTMENT

Board of Selectmen
Francestown, New Hampshire

We hereby submit our annual report, financial statement for the year 1964, together with the budget for 1965.

In our report of 1963 we stated that we expected to change the "Red Phone" system to "Tone Control" with an anticipated savings to the Town. This change-over came about mid 1964 and our financial statement shows a savings of about \$150.00. This savings, of course, will continue in the future.

The big fire of October 24th showed the great value of Mutual Aid Assistance, and we, therefore, continue our membership in Southwestern N. H. Fire Mutual Aid.

The meeting room of the fire station is approaching completion. All work being done by the members of the Fire Company on a donated basis.

It is to be noted that our budget for 1965 is lower than that of 1964. The Fire Wards strive to maintain the best possible fire fighting equipment at the lowest reasonable cost to the Town.

Respectfully submitted,

REPORT OF THE FRANCESTOWN VOLUNTEER FIRE COMPANY

The Volunteer Fire Company has proceeded with a program of completing the new Fire Station and remodeling the second floor area into a room for fire meetings and the use of Town organizations.

Last spring, a group of volunteers and townspeople graded, spread loam and seeded the fire house area. The trucking was performed at no cost, and the loam was donated by the Crotched Mountain Development Corp. These contributions were very much appreciated.

The lavatory was enclosed with cement blocks laid by the Joseph Ludwigs, and once more the facilities were open for the public on Labor Day.

Work has progressed to the paneling stage on the second floor room. Work groups have completed rough wiring, studding and insulating. A six-inch layer of insulation was laid under a plywood floor in addition to wall and ceiling insulation. This feature allows the first floor or engine area to be heated separately thus saving on the heating cost. The goal of the Company is to have this area available for use in the Fall.

The financing of this work was accomplished with proceeds from Labor Day, a raffle, having a supper for the Hillsboro County Fire Wardens and a donation of \$100.00 from a generous local resident in appreciation of the work of the firemen during the Main Street fire.

The Volunteer Fire Company has, as in the past years, voted to deposit \$200.00 in the Fund for the purchase of a new fire truck, in addition to providing payment of all materials used in the new work performed at the fire house.

REPORT OF THE FOREST FIRE WARDEN AND YOUR DISTRICT CHIEF

The 1964 forest fire season surpassed the record year of

1963 in both length and severity. For the second successive year, we experienced a rainfall deficiency of more than ten inches and the compounding of such drought conditions, together with the many days of strong, dry winds, characterized 1964 as one of the most hazardous years in the past half century. Although our fire season was three weeks longer than that of 1963, the number of fires showed only a slight increase and more remarkable was the fact that the area burned dropped from 2280 acres in 1963 to 900 acres in 1964. Early detection and rapid response kept many potential fire disasters from becoming reality. We all owe a debt of gratitude to the men in this community who responded and fought our fires so efficiently. Our state is now 86% wooded and its economy — both industrial and recreational — is greatly dependent on this forest resource. The responsibility for adequate fire protection of this great area — 4,350,000 acres — is everyone's responsibility and prevention is one of our most effective tools.

Prevention is good common sense.

1. Take your rubbish to the town dump. If you must burn, obtain a permit and watch your fire until it is dead out.

2. Instruct your children in fire safety. Keep matches from young children. Explain to them the dangers of lighting matches and making outdoor fires.

3. Be sure discarded smoking material and matches are out.

A major portion of our preventable fires this year are chargeable to three causes: (1) permit fires allowed to escape; (2) children playing with matches; and (3) smokers. Let's be mindful of the fact that all such fires endanger property and lives.

We wish to thank you for your very fire cooperation during the past fire season and with your continued cooperation we are confident that we can improve our fire record in 1965.

REPORT OF ADVISORY COMMITTEE

The Town expressed a desire, by vote at the last Town Meeting, to have a committee, appointed by the Selectmen, appraise the condition of the Town Hall, and recommend a program for improvements. The Selectmen chose to use the Advisory Board for this study.

The Advisory Board received a list of items from the Selectmen to be considered. These items were reviewed and released for preliminary bids from local contractors. The total cost to the Town for items listed appeared to be too much for the Town to carry in one year, and the recommendation is that only the essential items be completed in 1965.

The exterior condition of the Hall has been neglected for so long that the cost to prepare for painting and actual painting will require the expenditure of the entire Maintenance Fund for Town Buildings. The Board feels that this work must be done to prevent additional deterioration and added cost.

The Advisory Board feels that the front doors of the Town Hall should be replaced with doors of similar quality and design. Replacement of the doors would cost little more than repairing, and it is assumed would be more durable.

The Insurance Company having coverage on the Hall has suggested improvements such as automatically closing doors, increasing door thicknesses and replacing or adding extinguishers. These improvements would not only help in case of fire but would reduce the insurance rates on the building. It is recommended that this work be done at once.

Improved lighting in the Hall is desirable. However, the cost, if added to that of exterior painting, would make too much expense in one year. The recommendation is that the wiring be checked, and only the repairs that might be a hazard be made this year.

Plumbing is not a large item, but it is the recommendation of the Advisory Board that repairs be made only on items that might cause damage to the system if neglected.

The Board recommends that necessary minimum repairs be made on the Horse Shed roof (approximately \$100.00).

The Advisory Board feels that the items previously mentioned should be completed in 1965. The Board feels that all

major items of work should be requested by a minimum of three competitive bids based on complete specifications. A good example for the necessity of this procedure was the two preliminary bids on exterior painting, approximately \$1500 and \$4000.

Other items that the Advisory Board has considered in regards to the Town Hall are roofing, improved lighting, improved plumbing, interior painting or paneling of the entrance hall and main hall, a new floor in the interior hall and entrance hall, improvements in the second floor kitchen, removal of the considered hazardous wood stove in the lower kitchen and roofing of the Horse Sheds.

It is recommended, after inspection, that roofing of the Town Hall be postponed until such time as leakage occurs. In appearance the Town Hall roof might need care. However, there might be several years before roofing is necessary. A periodic inspection is recommended. For reference, preliminary bids ranged from \$1800 to \$4000, including the belfry.

For the year 1966, the following program might be considered: Fluorescent lights in the main hall, standard lights in the entrance hall, fluorescent lights in the kitchen and on the stage, standard lights in the bathrooms and storage area, outlets in the coffee room and new switches and wiring where necessary. This work, if the Town would like the improvement, should be done before interior painting. The estimated cost is \$400.00.

Plumbing improvements that might be considered are new shut off valves on various lines, and repair and winterizing of the toilets. The estimated cost of this work is \$170.00.

Preparing for painting and the painting of the ceiling and wall of the entrance hall, storage area and main hall is estimated at \$900.00. The Town should consider the possibility of paneling the first floor walls. The estimated price for painting the walls versus paneling is \$600 to \$1500. Paneling, prefinished, should not require maintenance for several years, and would stand more abuse than the present old plaster. The playing of basketball has undoubtedly caused damage to the walls and ceiling, which is evident when comparing the condition of the first and second floors. Paneling would help maintenance and aid in protecting the walls. The highest total estimated cost of the programmed work for 1966 was \$2400.00.

In 1967, the floors of the entrance hall and main hall might

be considered. The estimated cost of leveling the sub-floor and laying a new oak floor is \$1800.00.

In 1968, such items as sanding and finishing the second story floor and kitchen improvements might be considered

The grounds of the Town Hall or common have also been considered, and might be improved. Bumper blocks of either cast cement or split logs could be installed, allowing an increased area of grass and thus improving the appearance. This is recommended to be done by the Town Road Agent.

In compiling this report, the Advisory Board has attempted to fulfill the will of the Town by programming improvements. It should be kept in mind that major items, such as roofing the Town Hall, roofing the Horse Sheds, exterior painting or staining of other Town buildings, are not included.

It should be noted that the suggested cost of improvements is based on an average of two preliminary bids, which might make the final cost higher or lower. The estimated cost per year is approximately \$3000.00.

REPORT OF THE HISTORIAN

On January 1, the Mt. Crotched Ski Area, located on the northeasterly side of Mt. Crotched, was officially opened. One chair-lift and two T-Bars, accommodating 1500 people were operating. At that time there were six ski slopes. During the summer another slope was finished and night lights were installed. The Ski Lodge was opened for business on December 10th.

Mr. and Mrs. Thomas E. Bixby III opened "Granny Ketch" on the Mt. Crotched road, as an inn, on January 1st. Later in the year they built a separate restaurant and a bunkroom making accommodations for a total of fifty people.

Francetown Arbor Day was May 2nd, when fifty-three trees

were planted, including eighteen which were donated to the town by interested residents. The donated trees were planted on the common, in front of the Community Church and parsonage, and in Numbers 1 and 3 cemeteries.

A radio relay station was built by the American Telephone and Telegraph Company on Bible Hill.

On May 29th, Mr. and Mrs. Leighton Bicknell opened a family camping area, consisting of fifteen camp sites.

The roof on the Unitarian Church was shingled and the spire repaired.

The horse sheds were painted and restored, sponsored by the Improvement Society.

Fire destroyed the F. H. Colburn store and the home of Mr. and Mrs. Howard Kilbin on October 24th.

REPORT OF FRANCESTOWN PLANNING BOARD

Board of Selectmen
Francetown, N. H.

We hereby submit our report to the Town covering our activities up to Town Meeting Day, March 9, 1965.

During the past year the Planning Board held several meetings, the first being an organizational meeting on October 10, 1964. At this meeting officers were elected and a general discussion was held on the problems to be dealt with by the Board. At this same meeting review of the regulations governing subdivisions which had been set forth before the Town at a Public Hearing held September 27, 1963, and it was voted to have the secretary record these with the Registrar of Deeds of Hillsborough County. This he did.

The remaining meetings were devoted to a discussion of the changes with the present zoning ordinances which it was felt the Town wished to be made. These suggestions were presented to the Town on February 10th at the first of two Public Hearings, and again at a second hearing on February 19. These rec-

ommendations are to be submitted to the Town to be voted on by ballot at the 1965 meeting.

The Planning Board wishes to thank the many citizens of Francestown who have demonstrated their interest in the orderly and fitting growth of the Town by the many and varied suggestions given, all of which were worthwhile.

Respectfully submitted,

SCHOOL NURSE REPORT

To the Superintendent of Schools of the Board of Education:

The following is a summary of the Health work completed by the School Nurse in the Francestown School from September 1963 to June 1964.

Number of visits	24
Vision Tests	(Defects found 8) 60
Inspections	590
Heights (once every 3 months)	240
Weights	600
First Aid	8

Physical examinations by the school doctor showed the following defects:

Ears	2
T & A	1
Nutrition	6
Teeth	11

Children excluded from the school because of communicable diseases:

Chicken Pox	3
Measles	8

Special Health Activities

In May two morning dental clinics were held in Peterborough. Ten children had dental care. The Parent and Teachers Club sponsored the clinic.

Pre-school children were examined in May for school in September.

A successful health program takes the cooperation of many people, to these people thank you for your assistance.

Respectfully submitted,
Florence T. Merchant, R.N.

SUPERINTENDENT'S REPORT

To the School Board and citizens of Francestown, I respectfully submit my seventh annual report as your superintendent of schools.

Staff and Instruction

The school year was started with two new teachers on the regular staff. Mr. Raymond White was hired as principal of the school to replace Mr. Schimmel. Mr. White is a graduate of the University of Maine and has had five years of teaching experience at the high school level at Limestone, Maine. Mrs. Francis W. Abbott resigned her position as teacher in the primary room and Miss Mary Lawton of Athol, Massachusetts, a graduate of Perry Normal School, was hired to replace her. Both of these teachers have fitted very nicely into the Francestown school situation and through their efforts things are moving along very satisfactorily.

Mrs. Elizabeth Jones, music supervisor, resigned her position and was replaced by Mr. David Paige, a graduate of the University of New Hampshire with a year's experience in music in the Wilton, Greenfield and Temple schools. Just before the school year started Florence Merchant, the school nurse of many years, resigned to take a position at Crotched Mountain and was replaced by Mrs. Anna Sampson of Greenfield.

In spite of these changes the instructional program in the phonetic approach to reading and modern mathematics, two areas which we have been emphasizing in the last few years, have been proceeding very satisfactorily.

Two children of the town who were in need of special education in the program offered in Peterborough were finally admitted to that school. This has been a satisfactory arrangement for all concerned. These children have been getting the special attention which they need, and the children of their classes in school have not been losing time which the teacher would ordinarily have to spend with them.

Early in the year all of the school boards of the supervisory union heartily endorsed a program of physical fitness in keeping with the late President Kennedy's recommended program. A workshop was held in Wilton for the information and instruction of all elementary teachers and the program which has been in effect in Francestown in an informal way for several years became a formal part of the instructional program. The teachers

of the school have been devoting fifteen minutes each day to continuous exercising and have also administered tests of physical fitness to the children this fall. This exercising program and testing program will be continued throughout this year and in the years to come. It is hoped that such a program will raise the physical fitness level of each and every individual of the school. Even in this short period of time some marked improvements have taken place in individual cases. Mr. White, being interested in physical education, has worked hard in this program and also has made special effort to have boys and girls compete in informal basketball and soft ball games with children of other schools in the area.

Building and Grounds

After many years of discussion about improvement of the kitchen of the school, this year, this project was completed by renovating the kitchen and installing a large refrigerator unit. This makes the kitchen one of the best facilities for a school of this size in the entire state. Mrs. St. John, the noon lunch operator, has many times expressed her thanks to the school board for this improvement which makes her work much more efficient than in the past.

Sweepstakes

This year will probably go down in New Hampshire education as the "year of the sweepstakes." This was the first year that funds were made available through this lottery to schools in New Hampshire. Francestown school finally received \$1,927.74 from this source. The best information at this time indicates that the Francestown school district will receive \$2,440 during the coming school year. One problem that has concerned the board was how to best use this money and keep within the statutes and intent of the law, namely, to improve education. The board has some specific feelings as to how this money can best be used but an article appears in the warrant asking for the town to express some feeling in this area also. \$1,500 of the \$2,440 anticipated for next year is being set aside for the improvement of the playground area. Playground improvement has been considered in Francestown budgets for the last ten years. The time seems appropriate now to expend funds to loam and blacktop areas of the playground in order to provide more adequate facilities for the children. The balance of sweepstakes money expected can

be used for other improvements of the instructional or educational program or if not so used would revert ultimately to the town for the reduction of taxes.

When the tax assessment was being made for the support of schools last summer the Tax Commission estimated that Francestown would receive only about \$1,400 of sweepstakes money. This amount was used to be applied against the school appropriation to arrive at a school assessment, however, as indicated above, actually \$1,927 was received, an excess of some \$500. An article also appears in the warrant to use this excess money to pay for some of the costs of the kitchen renovation which were above and beyond the estimates originally made by the board. This utilization of excess funds can be made without any financial hardship to citizens of Francestown since no change will be made in taxes during the current year or next year by the use of this excess money.

Finance

There are several areas of increase in the budget, the first is in the area of teachers' salaries where a provision is being made for increases for the teachers that are comparable to those which will take place in New Hampshire during the coming year. We must constantly maintain our status salarywise with other communities or lose teachers at a more rapid rate than the rate one loses teachers in a small community.

In the area of pupil transportation an increase of approximately \$150 is being budgeted to take care of the additional costs for transportation. These costs are based on bids which were received during the present school year.

Under 725 an increase of \$70 is shown to provide for new shades in the two upstairs rooms to improve the appearance of the classrooms. Several years ago the present shades were seriously discolored by leakage from the backing up of water on the roof and this unsightly appearance has been put up with for the past five or six years.

In the 1200 series the \$1,500 for playground improvement appears and also a \$400 item is included to provide storm windows for the two upper classrooms. Both of these rooms, especially the primary room, suffer measurably on cold windy days and these storm windows, even though requiring an expenditure at this time, will probably pay for themselves in fuel economy

over the next several years. Also within this series is found an item of \$200 for a duplicator machine to replace the unit which is presently in the building and some fifteen to twenty years old.

In the 1400 series, Tuitions, an increase of about \$4,000 is shown to provide for additional youngsters who will be attending high school during the coming year and also due to an increase in the tuition rate at Peterborough of approximately \$90 per pupil.

Special Articles

One special article is in the warrant which is especially important to all citizens of the town. It is hoped that much discussion has taken place regarding the merits of action on this article. The Peterborough schools are interested in operating an AREA high school and are asking tuitioning towns to decide whether or not they would be interested in entering into an AREA study with Peterborough. The first step to be taken is to form an AREA Planning Committee which can meet with other AREA planning committees and work out all arrangements for providing education at the high school level for all of the children in the Peterborough area. It is strongly recommended that this planning committee be formed. By such action, accurate and complete information can be provided so that intelligent action can be taken relative to this important matter of providing high school education for Francestown children.

Conclusion

As previously stated, the Francestown school is making excellent progress especially when one considers the changes in staff that have been made this year. The teachers are very conscientiously applying themselves to the task of meeting the needs of the children of the town. Good results are being achieved for a small school working within a difficult framework. Francestown is providing good education for its children and these children are happy. All citizens can be proud of this fact and of the board members they have selected. It has been a pleasure for me to work with such a fine staff, such an excellent and concerned school board also with such cooperative and helpful citizens. It makes superintending enjoyable.

Respectfully submitted,
Kenneth A. Sargent,
Superintendent of Schools.
